Kansas Dam Safety Conference 2005

Dam construction in Lyon County

**Kansas Department of Agriculture
Division of Water Resources
Dam Safety Conference
Topeka, Kansas
February 24-25, 2005**

The conference will be held at the Holiday Inn Holidome near I-70 exit 357A in Topeka. A block of rooms is reserved for attendees.

Reservations for lodging can be made by calling (785) 272-8040. Specify that you are attending the Dam Safety Conference. Please make your reservation before February 10. Rates and room availability are not guaranteed after that time.

There is no charge to attend the conference. Lunches and evening socials are optional for a fee.

Additional information is available online at <http://www.ksda.gov>.

Dam Safety Conference 2005

Small dam owners and professionals interested in proposed regulatory changes regarding dam safety and practical information on operating and maintaining a dam are invited to attend the Dam Safety Conference 2005, sponsored by the Kansas Department of Agriculture Dam Safety Program.

A few of the many sessions include:

Rules and Regulations Overview
Liability Issues
Repairing Small Dams
Small Dam Design and Construction
Examples of Dam Problems
Dam Inspection for Small Dams
Panel Discussions
Watershed Benefits

A field trip to area dams is scheduled on day two. Space on the bus is limited, so register early.
